Old Business:

- Kristen Beech made a motion to accept the November minutes, Robin second them, all ayes.
- Tonya had different dates and times for the Lions Games, and discussed with Aimee to send the new schedule for the event. Tonya will update the group with the new schedule for the Lions Games on wednesday.

New Business:

- Kim Buelt discussed that the Booster Club is currently not receiving any funds from the Roar Store, when the original agreement was that the Roar Store would donate money back to the club. Kim Buelt agreed that she would discuss this with the new lead of the Roar Store to sort out this discussion.
- Kim discussed that the Booster Club could run the concession stand at the school spring dances. This would allow the students to purchase a limited amount of items at the dance. Tonya asked that gum not be sold at the dances. Pete and Kim discussed that they would meet with Honey Sue to plan the concession stand at the school dance. Aimee discussed that the club will send out volunteers for the dance.
- Aimee discussed that the club has 2 years left on their contract with Read, and that the club will reevaluate at that time for the photography contract.
- Aimee asked the group if we should increase the stipend for the treasurer's job for the next year with the resignation of Marcie. Kim discussed that the group should create a file showing how much the club pays certain members of the group, so the group is aware of all stipends, since most members are volunteers.

Treasurer Report:

- Marcie discussed that we are down on profits from last year, as the club had less home games for football to run concessions at. Marcie also discussed that athletics have currently not asked for many funds yet but the requests will come throughout the year.

Cashier Report:

- Sarah discussed that the deposits are going well.

Concessions Report:

- Pete discussed the findings from his research on food safety. Pete shared his research with the group and that the club is in compliance. The group discussed that the concessions will discount burgers at the end of the events. Kim

discussed that the club could put condiments on ice packs to chill food and save money. Tammy discussed that Sierra Mist is now discontinued and Starry is taking the place.

- Tonya discussed that the concession stands could run at the freshmen games to get more profits.

Photos Report:

- Lori asked if there was still no Oakridge Photo contact. Aimee informed the club that the club is still in search of a volunteer for the position.

Volunteer Coordinator:

- Lori mentioned that Pete, Aimee, and her were going to meet after to discuss how to handle when people do not show up to volunteer. Kim mentioned that the club could create a canned statement for the coaches to communicate with their parent representatives to help each group volunteer to gain money for their group.

Tonya Moe:

- Tonya discussed that the football game format will be different for next year. Tonya discussed that Friday night would be varsity only, and Thursday would be freshman/soph, and the following Monday would be the JV game. Tonya discussed that the State will be the decider if the schedule changes happen for football and the school will know more soon. Tonya discussed that track and tennis are starting soon. She mentioned that tennis will be in the gym with the renovations to the current courts.
- Tonya discussed that Athletics is going to take on the golf outing with coaches and students as volunteers.

Social Media/Academics:

- Tammy mentioned that the club has gained more followers on facebook and twitter. Tammy asked for little stories at events to gain acknowledgement at the booster club.

Fine Arts Reports:

- Kristen shared that the varsity show choir is traveling to Nashville, and the spring musical is "Les Miserables."

Marcie made a motion to adjourn the meeting, Tammy seconded, all ayes.
